

JULIA DENT GRANT

Is Married to the Prince
Cantacuzene.

Imposing Church Ceremonies at
Newport and the Most Fashion-
able Reception Held There.

NEWPORT, R. I., Sept. 25.—At noon today the American ceremony, according to the rites of the Protestant Episcopal Church, following the Russian service last evening, made Miss Julia Dent Grant, daughter of General and Mrs. Frederick Dent Grant and granddaughter of President Grant, the wife of Prince Cantacuzene, Count Speranski. It was the closing and crowning social event of the Newport season, and one of the most brilliant affairs of the kind ever chronicled in the social annals of this city.

The reasons for this second marriage ceremony have already been well explained. The ceremony today was celebrated in that unpretentious edifice, All Saints' Church, and the ritual was that of the Protestant Episcopal Church, which, if brief, is decidedly impressive. There were two clergymen and a Bishop in the chancel, some beautiful music and all that goes to make up a lovely wedding, and above all, the glorious sunshine that all brides wish for.

The assembly of invited guests, notable for social and military distinctions, made the ceremony one of the most brilliant ever witnessed at Newport. The family and social connections of the bride gave the wedding a military as well as a diplomatic character, and the little church in which it took place was bright with blue and gold, the bridegroom's uniform easily outshining those of the Home Guard. Right Rev. C. Potter, Protestant Episcopal Bishop of New York, assisted by Rev. Dr. Nevins of the American Church in Rome, officiated, but, in accordance with the laws of the State of Rhode Island, Rev. Dr. Porter of the Episcopal Church of this city read that portion of the service which legally united the distinguished pair.

A reception followed the wedding ceremony at the Palmer residence and late this afternoon the Prince and Princess left for New York and St. Petersburg. The reception at the Potter Palmer residence was one of the largest ever held in Newport. The bridal couple received under an immense floral arch, with Mrs. Grant and Mr. and Mrs. Potter Palmer standing on the right, while seated near was Mrs. U. S. Grant.

Ordered to Molokai

SAN FRANCISCO, Sept. 22.—The Commissioner of Immigration at this port has received a communication from the Secretary of the Treasury directing him to deport to Molokai, the Hawaiian leper settlement, Mrs. L. M. Todd, who has been an inmate of the Pesthouse for some time. This is the first notice of its kind ever issued from Washington, and its effect is regarded by the local health authorities as far-reaching, since it may be the beginning of a movement to transfer all the lepers in the city's lazaretto to Molokai, now a Government settlement.

When told of her fate, Mrs. Todd became hysterical and vowed that they would never take her to Molokai. So Mrs. Todd was given a respite pending further communication with the Treasury Department.

The Yacht Norna

The troubles of the yacht Norna and her master, N. J. Weaver, seem to be in process of settlement. The Commodore left on the City of Peking with his sister-in-law, Mrs. Wallace, for San Francisco. It is understood that a bond has been given in the Commodore's behalf by which he will be allowed a certain time in which to liquidate the indebtedness claimed under the Federal bottomry bond on the schooner.

September Stock Sales.

During the month of September 10,959 shares of Olan stock were sold at from \$0.25 to \$5.25; 5,248 McBrayde at \$2.75 to \$4.25; 4,046 Kihel at \$2.75 to \$6.00; 1,935 Honokaa at \$31.00 to \$33.75; 1,577 Okala at \$20.00 to \$22.00; 1,138 Ewa at \$26.50 to \$30.00 and 565 Waiwala assessable at \$100.00 at \$125.00.

NO MORE FREE STORES.

WASHINGTON, Sept. 23.—An order of the War Department directs that hereafter there shall be no more gratuitous distribution of subsistence stores to persons in Alaska. Officers in some instances have exceeded the regulations in this matter.

JAMES REED INJURED.

Mr. James Reed struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Mr. Reed is one of the leading merchants of Clay Court House, Va. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by all druggists. Benson, Smith & Co., Ltd., agents for H. I.
